G50KIT ( Complete Valve repair kit)

GLOBAL TAPWARE Pty Ltd is proud to introduce our Excellent Hard-Working Pre-Rinse SPRAY GUNS.

Global Tapware has been supplying this line of "Universal Pre-Rinse Spray Guns" since 2010.

These Guns are made for the ever-demanding Australian Hospitality market.

No more trying to figure out what brand you are using or replacing - if it's a Commercial Kitchen, then this is the gun to buy.

We have designed it to cover most Genuine Commercial Pre-Rinse, no matter the brand. We make & supply a specially converting adaptor to allow them to fit a range of PR Hoses that have either a :-  
 7/8" unF fine Female thread or a 1/2" bsp Female thread or are a Fisher Mfg Co. hose,

The Swivel Male Nipple fit in Handle helps the 'End User' by giving more flexibility and causing less stress on the hose.

Kind regards  
 Mark McQueen  
 Managing Director
