

"GLOBAL EC" Easy Clean Tapware - HOB RANGE

PROUD TO BE AUSSIE MADE

Made in Australia By Global Tapware Pty Ltd

www.globaltapware.com.au

1300 85 25 15

Global EC Tapware are made from **Low Lead Brass** – Bodies only at this stage, with Spindles still in DZR Brass.

These taps were designed for Commercial and Domestic applications in mind. A Tap that required to be **Reliable, Tougher & Robust.**

We have been making these taps, since start up in 2009 in our Brisbane, Qld, factory, using the "Australian Made" 'Doust' Jumper Valves. We have never had one complaint with these jumpers.

We have this range Registered as '**Australian Made**'. These taps enjoy a reputation as high quality & great performance.

Technical Information: -

Safe Constant Working Temperature range is:

4 – 65° C with occasional peaks up to 85° C

Safe Operational Working Pressure range is up to:

500kpa (as per NPC) with occasional Max. 1379 kpa

Readily available Spare Parts via all Plumbing Outlets nationwide.

NOTE: Due to the ridiculous way the legislation was written the **WELS Dept.** will not allow one Reg. Number be used to cover all Spout Sizes that could be fitted to the same tap body type, although they have the same Flow Rate & Star Rating. But they have allowed all various size Spouts of same type to be registered under one Number on their own – **GO FIGURE**. Due to the enormous amount of work involved & Cost associated in registering every separate tap & with every separate spout we have come up with another system, which is legal and saves money. The system is called "**BUILD YOUR OWN**". In order for you to buy other size spouts shown below, you will have to use our Guide on page 3.

All Standard Spouts = WELS 3 Star & 9 lpm, Registration number 'T40512'.

In this Brochure the Part numbers with an **Astrix** are only Registered Taps in their own right. We chose 12" as the popular.

BUILD YOUR OWN

STEP ONE: CHOOSE A TAP BODY

HOB / DECK MOUNT

Photo i.d.	TB1	TB2	TB3	TB4
Type	SINGLE	DUAL	EXPOSED BREACH	OUTLET only
Hole	25mm	32mm	2 X 25mm	25mm
Breach			120 – 280mm	
Pt. No.	GEC01	GEC03	GEC05	GEC06
RRP \$	\$	\$	\$	\$

STEP TWO: CHOOSE A SPOUT LENGTH

WELS Lic. – 0308

WELS Reg. – T40512

3 Star / 9 lpm

STANDARD SWIVEL SPOUT						
Drawing -	A	B	C	D	E	F
SIZE - inches	6"	8"	10"	12"	14"	16"
SIZE - mm	179mm	227mm	276mm	326mm	376mm	426mm
PT. No.	G3006	G3008	G3010S	G3012	G3014	G3016
RRP \$	\$ All One Price					

STEP THREE: Put the Two Part-No.s together.

Put the two part numbers together to get the ordering part number.

e.g. Step One – **GS05** + Step two - **G3008** = **GEC05G3008**
