

Global Fisher Pre-Rinse - HOB -

PROUD TO BE AUSSIE MADE

All Stainless Steel

- ✓ 'Global Tapware P/L' has a proven track record, since 2010, of Manufacturing High Quality Products here in Australia. - visit us on our Web site -
- ✓ 'Global Fisher' Pre-Rinses are made in our Brisbane, Qld, Factory. They are not made in the USA as those units are not 'Watermarked' and do not comply to Australian Standards, that is why we invested in making components here in Australia to make them comply.
- ✓ 'Global Fisher' Pre-Rinses, as from the 1/8/20, are now made fully from 304 STAINLESS STEEL components.
- ✓ 'Global Fisher' Pre-Rinses work for years & years. If treated properly you could get 5-10 yrs of use before parts wear & require replacing.
- ✓ 'Global Fisher' Quality Pre-Rinses & Accessories / Spare Parts are available via all Plumbing & Catering Retailers throughout Australia.
- ✓ 'Global Fisher' has a 36-month on-site warranty for genuine claims, we do not cover installation claims.
- ✓ 'Global Fisher' Pre-Rinses are all Assembled & Pressure Tested before packed in our Brisbane factory. - this has eliminated bad install complaints by 99.5%.
- ✓ We Laser Etch our products, in our factory, with our Brand Name or Logo - No stickers. We do this, so you know where to source spare parts from in the future, unlike some of our competing imported products that show no branding.
- ✓ Suitable for R.O. Applications.
- ✓ Suitable for TOUGH Environments.
- ✓ Commercial Rated.
- ✓ Best on market
