GLOBAL WASHWARE

WALL BRACKETS for RED HOT-WASH HOSE REEL

Each Bracket is designed & made for their respective jobs.

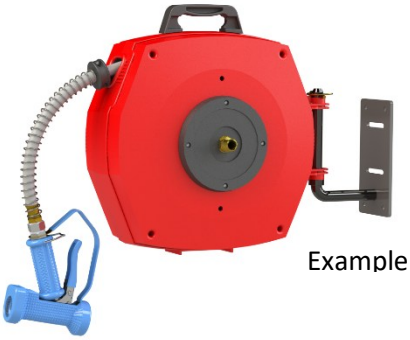

PLASTICWALL Bracket – BLACK
Pt. No. **GTHRWBKT-PL**

STANDARD Wall Bracket System.

Designed for most common everyday use / installations.
Ideal for mounting at Bench or below Bench height.

example

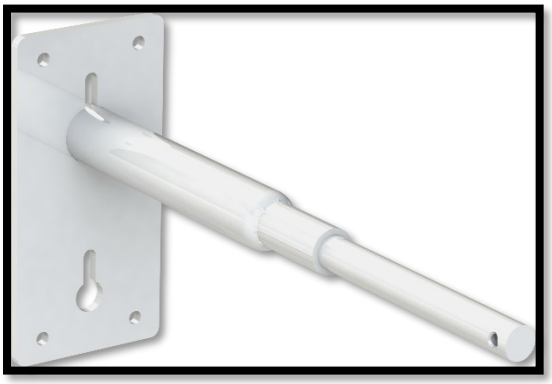

Example

METAL WALL Bracket – BLACK
Pt. No. **GTHRWBKT-MBB**

Designed for Wall mounting where the Height is above Bench height – 900mm.

Another Example – Use this on Refrigeration Panels. Advise using a separate flat plate on other side.

METAL WALL Bracket – WHITE
Pt. No. **GTHRWBKT-MBW**

Designed for Wall mounting where the gun needs to face downwards.

Another Example - It can also be used for Floor Mounting so the unit can swivel 360 degrees. Mount outlet hose at top.
